

# COLORADO

## Governor Jared Polis

September 15, 2023

To my fellow state employees:

I want to thank you for the work you do every day to make our state a better place. Your efforts are making our communities safer, keeping our roads open, supporting Colorado students, strengthening our healthcare system, helping Coloradans connect with the services they need and so much more.

But beyond all of this, we as state employees have an opportunity to give back through the Colorado Combined Campaign (CCC).

The CCC makes it easy and affordable to contribute to more than 400 Colorado nonprofits that support everything from education and healthcare, to the environment, civil rights, animal welfare, and many other important causes.

Fellow state employees oversee the program, ensuring the highest level of integrity, and your donations can automatically come right out of your paycheck in whatever amount you choose.

The CCC is available to all state employees, in every corner of Colorado. Look for your department, agency, college or university's campaign this fall, or make your pledge online.

Together, we can have a real impact on the issues that matter most to us, and make Colorado an even better place to live, work, and raise a family.

Sincerely,

Governor Jared Polis
