

A little goes a long way

Your recurring payroll gift grows good

There's still time to plant a seed! Take advantage of our extended deadline for the Colorado Combined Campaign. The donation you make now will grow good throughout all of this year.

A recurring pay gift (a few dollars at a time) provides sustained funding for the charities and causes you care about. Because we're all about choice, you're invited to make a one-time gift (payroll, credit card, check) if that works better. **However you give and whoever you give to, please consider participating in the 2018-2019 campaign before time runs out!**

The deadline for donating is midnight on Friday, February 1. Doing it online is easy and takes just a few minutes at:

Thank you!

PS: Get lucky when you give. Four donors who pledge during our extended deadline period will each win a \$25 Amazon gift card!

You don't have to give to win. To enter, send your name and email address by the deadline to info@coloradocombinedcampaign.org.
