

Sometimes, you just need some time.

Between wrapping up 2019 and welcoming 2020, you may have missed making your donation to the Colorado Combined Campaign. Time ran out, but the needs of nonprofits across Colorado remain. **To help, we've extended our online deadline to midnight on Thursday, February 20.** Take advantage of this special opportunity!

Make a one-time (March) or recurring (10-month, March to December) pledge conveniently from payroll. Or, show your support with card, check, e-check or cash. Give to whom you want, in the way you want, in the amount you want: give to your heart's content! Start here:
