Dear Name,

As a proud Colorado state government employee, I am pleased to introduce you to the Colorado Combined Campaign (CCC). This workplace giving campaign provides state employees with the opportunity to donate to charities that directly benefit Coloradans. Donations are made through payroll contribution and directed to one or more of 550 participating Colorado charities. Since the first campaign in 1988, the CCC has raised more than \$35 million for worthy causes and groups.

We know Company/Business Name believes in charitable giving, which is why we would like to highlight you as a CCC supporter. We're inviting you to donate a product, service or gift card, which will be used as an incentive to encourage campaign donations. Coming from a well-regarded business, your donation will go a long way toward helping letter writer's state agency encourage new and returning donors, and increase the total amount of contributions. Both of these significantly impact Colorado nonprofits and the communities they serve.

The CCC is a 501(c)(3) organization, so your donation is tax deductible as allowed by law. (The CCC's tax ID number is 74-2401941. It shares this number with its parent organization, Community Shares of Colorado.)

If you have questions or would like additional information, please contact me at email or phone number. To learn more about the history, impact and work of the CCC, visit www.coloradocombinedcampaign.org.

Thank you for your consideration! I look forward to connecting with you soon.

Sincerely yours,
