

COLORADO

Governor Jared Polis

September 12, 2022

To my fellow state employees:

As an employer of choice, the State of Colorado strives to empower our employees and serve our community. The Colorado Combined Campaign (CCC), which launches today, is our annual workplace giving program and provides an opportunity to do both. If you've participated before, thank you! If you haven't yet, or you're a new employee, I encourage you to learn more and see if signing up works for you and your family.

The CCC makes it easy to support more than 400 Colorado charities. Once you sign up, donations are automatically taken out of your paycheck in whatever amount you choose. Fellow state employees oversee the program, ensuring the highest level of integrity.

By donating to our nonprofit community, you can support everything from education and healthcare, to the environment, civil rights, animal welfare and more. Your pledges benefit your neighbors in so many different ways, helping us build an even better Colorado for all.

The CCC is available to all state employees, in every corner of Colorado. Regardless of your role or location, you're invited to take part. Look for your department, agency, college or university's campaign this fall, or make your pledge online anytime you wish.

You can be a part of doing good for others in a way that is most meaningful to you.

Sincerely yours,

Governor Jared Polis

136 State Capitol, Denver, CO 80203 | P 303.866.2471 | www.colorado.gov/governor
