

COLORADO

Gov. John Hickenlooper

September 4, 2018

Dear Colleagues:

The Colorado Combined Campaign (CCC) turns 30 years old in 2018, and we need your help to make this year the best one yet!

In addition to your daily service to fellow Coloradans, state employees are also among the strongest supporters of our vibrant nonprofit community. Through the CCC workplace giving program, you have given \$34 million to hundreds of organizations representing important causes in every corner of our state. Over the past three decades, the CCC has evolved into a charitable institution that supports important and necessary work across Colorado—and is something state employees should be proud of.

Please join me in making a donation to the CCC this year. ***We are looking to increase the number of state employees participating by 7%.*** Your gift, whatever the size, is much needed and appreciated.

Thank you, again, for everything you do to make Colorado the best state to live, work, and play!

Sincerely,

John W. Hickenlooper
Governor
