Dear colleague,

In addition to the work we do every day, supporting our favorite nonprofits through the Colorado Combined Campaign is an important way state employees ensure opportunity for all Coloradans. Every donation makes life better for another person, whether by helping them develop job skills, enjoy the arts or breathe cleaner air.

The CCC makes it easy to make a difference. There is no minimum contribution. Giving online takes just a few minutes. You can do it painlessly, right out of your paycheck a few dollars at a time. You have the opportunity to select from more than 500 charities across the state vetted to ensure the highest standards of nonprofit integrity. You're empowered to determine how, how much and to whom you donate. Doing so is also voluntary, but I encourage you to participate in this great annual tradition.

Like me, I'm sure you got into public service in order to help others and meet big challenges. Your gift through the CCC in 2019 is a simple yet powerful way to live up to the promise of these values. Please join me in donating!

Cheers,

Phil Weiser
