

COLORADO

Governor Jared Polis

Dear colleague,

As a public servant, I'm humbled by the trust the citizens of our great state have placed in us. It's our mission to continually move Colorado forward so that all may thrive.

The Colorado Combined Campaign (CCC) serves a unique role in our fulfilling our mission. The CCC is a unique, simple and effective way for state employees to connect with nonprofit organizations of all types. This is as true today as when the campaign was founded more than three decades ago.

Colorado has hundreds of nonprofits that share our values. Whether it is helping educate our children, supporting the study and cure for disease, or simply helping those less fortunate than ourselves the CCC makes giving simple and fulfilling. Giving never goes out of style.

Please join me in making your CCC donation this year. Our sights are set on raising \$1 million, and with your help I know we can get there. If you're a new member of the team, learn more and sign up. If you've given before, give again and add a few extra dollars. Let's come together around our shared love for Colorado and our commitment to its future.

Sincerely yours,

Jared Polis
